I'm guessing the tape machines will be humming.....</p> <p style="text-align: right;">IP: Logged</p>

The only way to get a copy of this, is to tape it the very night it airs, or order the tapes from C2C (expensive). I hope I can find a way to do this...I will do my best. 😊</p> <p style="text-align: right;">IP: Logged</p>

Of course, my station cuts the last two hours of the show, so I'll be searching the dial. It's going to be a thrill just to hear Father Martin's voice again.</p> <p style="text-align: right;">IP: Logged</p>

They have a cassette recorder on sale for \$29, and I can buy the accessories to splice the sound from my speaker outlet...so that I can still use my headsets to listen (or speakers)...and also have another plug to plug into the "Recording outlet" on my cassette recorder. I am buying 110 minute cassette tapes of good quality.</p> <p>Then I can record on the cassette, the show of Fr. Malachi Martin, and at the same time, listen to the show on my headset.</p> <p>Radio Shack close at 9 p.m. here...thought I'd post it just in case anyone else wanted to do this. 😊</p> <p style="text-align: right;">IP: Logged</p>
