Hello,I noticed that on several boards people are spiritually expressing themselves. I believe there are some wise people among us. In fact we all have something to offer in helping each other to grow in some area. So maybe have a catagory of "SELF HELP" or "SPIRITUAL GROWTH". Just a thought. Thanks

Spiritual sites! Us loveable curmudgeonly skeptics love more of these. We bark but we don't bite!

How about a Laura Lee Site, she is quite spiritual:  
[www.lauralee.com/](http://www.lauralee.com/). She'd make a great host.

Or, how about, Ghosts of BillBoards Past? For the Darker Side.

How about a topic on mysticism? Though similar, it's not the same as magick.

Also, a site on ancient societies. ie Egypt, Greece, Atlantis, etc.

HI Paul...Politics? Didn't Coast to Coast stay away from Politics?

If we start that forum should we also take exit polls?

Should there be a moderator within such a forum?

What happens if someone was to make threats towards our leaders in such a forum?

Do I have the time to deal with the suits?

Whats really going on ?
