	<p>08:08 AM 21-Sep-01 *****</p> <p>03:44 AM 21-Sep-01</p> <p>So Much to Say; So Little Time and Space With Which to Say It.</p> <p>Listened to Wednesday's C2C with Ian and the 'Professional Paranoid'...Didn't Have the Energy to Push ComputerKid's 'On' Button.... Listened to Thursday's C2C with Barbara Simpson and 'Dangerous Places' with Robert Young, and 'Lurked' at RADIO ROOM. With the Volumes of Thought Working 'm`' Brain, Couldn't Bring MySelf to Participate in Tonight's ShipShape. Hence This, Which Might Be a Rather Lengthy Post.</p> <p>As Regards Last Night's 'Paranoid', I Caution All y'All, to Understand that 'Privacy' Is Being Redefined If For No Other Reason than We Now Live In What Can Be Defined as the 'INFORMATION AGE', in which There ARE NO Real 'Secrets'. Privacy In and Of ItSelf is Largely an Illusion. But In Terms of 'Privacy', the Status Quo, by the Fact of Its Sheer Numbers, has Nothing to Fear, In Regards Being 'Investigated'. The Future of 'Privacy' Is Already ReWritten in That It Is the 'Abuse' to One's Right to Privacy That Will Be Addressed Rather Than 'Privacy' In and Of ItSelf. And in THAT regard, the Status Quo has More to Fear From the Insurance Companies and HMO's than It Does From the F.B.I.!</p> <p>As To 'Dangerous Places', I Found Young's Insight, Experiences, Reasoning, and Philosophy to Be Sound. And Barbara Brought Out His Best, and Covered ALL the Bases. I Pray That We, As the Goodness That We as Americans Are, We Who Not Only Agree to the Tenants of Judeo-Christianity but Also the Tenants of the Koran as Well as That Which IS the 'Root' of ALL the Religions Known to MAN,.....I PRAY That We Do NOT RUSH HOTLY OFF to War. But that We Follow That Which Is</p>

Stated on the Dollar Bill, "In God We Trust"! At 'My' Second Awakening of the Day, I Turned On 'm`' 'Synergetic Communication Device'; It Was Set On the A.merican M.ovie C.hannel. 'Catch-22' was Playing....Came In at the Point in the Movie, Where an Elderly Local Gentlemen was Speaking to the Young Soldier, and The First Words That Fell On 'These' Ears were the Elder's, "...Your Country Has Never Known Foriegn Bombs and Invasion, How Long Do You Think This Will Last? ForEver?!"

I've Known for a Long Time Something 'Like' This Was Bound to Happen Sooner or Later. So Did ALL y'All. Just Couldn't Realize the Magnitude and the Horrific Nature of the Crime. And Yes, It Was a Great Speech by Our President Before Congress. And Yes, It Was Necessary For Our President to Be Firm With the, "...Not Subject to Negotiation Altimadam." It Was Indeed Necessary In Order to Unite OurSelves and the World As to the Fact of Our Emotions. But It Is Not To ACT When 'Emotions' Are At a Peak. Emotion and Reason are Complimentary Opposites and Cannot 'Occupy' the Same Space at the Same Time. Emotions Are Our Dark Watery 'Yin' Nature. Reason Is the Light of 'Yang'. "Only That Which Is Done In the Light of Day Succeeds.", (quote: 'I Ching'). Let's Not Go Hotly Into War by DEMANDING Satisfaction. Remember That Our President Also Said, (And 'I' Consider It The Singular Most Important Statement to the American People.), "...You Will Not Always SEE the Results of What We ARE Doing, but Just KNOW That We Will Not Quit Until Every Terrorist is Removed From the Face of the Earth.". (To Paraphrase Him.). Consider That Robert Young's Observations Are Indeed True and Exact, Then Afganistan and Pakistan Are Going to Be Another Viet Nam and Laos/Cambodia. But Instead of the United States Coming In and 'Kicking Ass' by Replacing the French, We Are Proposing Coming In and 'Kicking Ass' by Replacing the Russians. And Who But the Innocent Suffer?

The Head 'Honcho' of the 'Taliban' said, "Show Me the Proof, and I'll Turn Him Over.". Well Let's Get the Proof. This Can Be Accomplished on Two Fronts. First. We Know Where the Terrorist Camps Are in Over 60 Countries....Special Ops Can Run Sorties, and Gather A Lot of Information. Second. No Sooner Did Robert Young Start Speaking of the Conditions Inside Afganistan and Pakistan, than the Marshall Plan that Rebuilt Germany and Japan Came to Mind. And a Little Later Robert Made Reference to That Fact in Comparison to Our 'Abandoning' Afganistan in 'Her' Time of Need. Let's Rebuild Afganistan AND Pakistan in the Same Manner....Certainly RUSSIA is In No Position to Do It. Then, As All y'all Know What We Americans Are So Certain of, Then, "FOLLOW THE MONEY". See How Much of Falls Into the Hands of the Terrorists and 'What's-His-Names' Brother-in-Law, Osara bin Laden's Hands. Then 'What's-His-Name' Is Going to Have to Respond to His Promise, and Turn Him Over. If He Doesn't, He'll Not Only Have to Answer to All of Islam, He'll Have to Answer to GODALLAH OurFatherCreator!

There Is Also a THIRD, and MOST IMPORTANT ACTION We Must Take. Clean Up Our Own Back Yard and Clean Out the Terrorists of Our HomeBrew. Oh, Ya Don't Think America Has Terrorist Groups? What D'ya Call A 'White Supremist Aryan Nation Neo-Nazi Christian'? An Oxymoron? Well.....YES...That's True...With Emphasis on the MORON. But A Terrorist Just The Same. Just HIS 'THREAT' is Enough to Cause Great Psychological Damage to Our Collective Psyche!

The Individual(s) Who Tore Down the Memorial Wall on Market Street San Francisco and Replaced It With Anti-American Grafitti Is an Act of Terrorism.

And So Is the Guy That Bangs on the Door of the Kiosk on Market Street and Shouts Obscenely at the Occupant to Hurry Up, a Terrorist. (San Francisco Has Public Toilets, Kiosks, That One Pays a Quarter and Gets 20 Minutes to Do His Business Before the Door Automatically Opens Up, and Goes Through a 5minute Self-Cleaning Before It'll Accept the Next Quarter-Occupant.). Can You Imagine

that You Are Doing Your Business and Someone Is Violently Angry With You...No Idea of Who, or What, to Expect When THAT DOOR OPENS? Especially When Ya Know That People Have Been Murdered For Topping Off Their GasTank During a Gasoline Shortage?

A Person Who 'Deliberately' Looks at, or Uses Body Language to Another in Casual Passing, Especially the Elderly, In a Threatening Manner....Is a Terrorist.

There Is at Least One Country, (I Think It's Singapore), That Has Stiff Laws With Heavy Penalties...Prison, or Even Death, for These Acts of 'Civil Disobedience' and Vandalism.

No, Let's Not Rush Hotly Into THAT Mad War, but Let Us Remain 'Cool', and SEE With Eyes Not Blinded by Rage, that GODALLAH Is Indeed ATONement...At ONE, and The 'Quickening' Is HIS Time. Let Us Be Satisfied That the Rest of the World Loves America For Its 'In God We Trust' GreenBack, and Recognize That to the Rest of the World, the American Tourist IS by-and-Large, A Royal Pain-in-the-Ass! Which Is One of the Reasons that Robert Young Works Alone as One-on-One. It Seems That When Two or More People Gather in the Name of America, All HELL Breaks Out.

By the Way....During My First Awakening of the Day, Consulted 'm`' 'Synergetic Communication Device', and the 'Young Astronauts' Was On. Talking About the Radio Message We Sent Out From Aceribo(Sp?Sic?), but Didn't Mention the 'Crop Circle' Answer.

I Suppose It's Because 'Young Astronauts' Are 'Elementary' School Kids, and Aren't Expected to Be Able to Handle the Complexities of the Possibility of Extraterrestrial Involvement. I Suppose That If These Kids Make It Through 'Middle' School and 'High' School, We'll Be Comfortable in Telling Them About Chilbolton England and the 'Enigma' of the 'Crop Circle' What Answered the Radio Signal That We Sent Out in 1974 What We Told Ya About When You Were Just a Little 'Young Astronaut' of 2001.

So Much More to Say.....DuDaDuDaDay!

By The Way, Spike Mike, Certainly Go Ahead and Close This Thread. There Is No Reason Why This Can't Be Discussed Without Interrupting the Night-to-Night Structure of RADIO ROOM and the Gathering of the Crew Around the ONLY LEGITIMATE 'Pub' in CyberSpace. Afterall, This IS Going to Be a Protracted WAR...Let's Hope That It Will Be Carried Out With Military Precision and With 'LOVE' and Hope For the Preservation of the Goodness That Is the Spirit of MAN, The SON, (Of Whatever Gender), of The One Creator and GreatSpirit that IS GODALLAH, and With 'Zero Defects' When It Comes to the Preservation of the Innocent.
