I read somewhere on this forum that Mike's last day was going to be the 26th and others would fill in until Art returned. Can't remember where I read it!</p> <p style="text-align: right;">IP: Logged</p>

I may post there if the topic is of real interest to me. I'll also go there to see any new photos Art puts up. It will be like visiting a neighbor but I'll always return home to the FF - "There's No Place Like Home" Barbara R.</p> <p style="text-align: right;">IP: Logged</p>

Then you can seek them by "State" or "See All".</p> <p>--Marcia</p> <p style="text-align: right;">IP: Logged</p>

Rick:

You mention the affilliate list. According to my info, there have been almost 80 affilliate stations lost (so far). I've become more restrained in posting too much info on this board. Too many "lurkers." I will say that I think Art was called upon to save C2C from sinking. This is just my opinion...We're all happy to have him back, but for how long and under "conditions?"

Yeah, Shooter, I sure noticed it, too. Call me psychic, but I figured that info would become null and void soon....

I'm here coz I love Art, that's all. :)

That list is REALLY outdated, and therefore, useless...we haven't had c2c in my market for about 8 months now, but the station is still listed....
