And I had asked who was speaking, and guess what!!!! I was not prepared for that chat, nor will I ever forget. I merely thanked him for coming back, and wished him the best. PLEASE don't try it today, they maybe testing the lines etc, and this IS a big day for him, I merely want to share this experience with everyone.</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p> |

DETAILS - He picked up the line on the first ring (like he was really expecting my call), an said, a quick hello. I asked to whom I was speaking (at this point I thought that I had dialed a wrong number in Pahrump), and he said "Art Bell", at which point I stammered, and said I was Charlie Ford from Watauga TX, and that I was just a fan, trying to see if the line worked, and thanked him for coming back. He then said "thankyou my friend" and we hung up.....

Glad Art is back -  
It will be good to hear from Peter Davenport at the top of the  
hour. Wonder if Hoagy will put in an appearance later?

No callers! That's weird...  
I am sure Art hasn't really forgotten how to push all those  
buttons!

He's taking faxes only tonight..?

Nope - he's going to take a call - soon   
Kew!

Wonder who's going to get through??!?!  
Hope it's not ...well - you might know who...  
(ssshhhh! k?)

Charlie-

I spend my life trying to avoid looking like an idiot. (I  
manage to succeed on a daily basis anyway).

Thanks for that post. I laughed so hard, it almost killed me.

Edited because I can't spell.
