Hi all, I just wanted to give a little background as to why we took the Art Bell out the Seattle Art Bell Chat Club. Basically Art asked us to. He said that if we continued to investigate the Jonathan Reed Encounter, we could no longer be associated with Art's name. Later this tatement of disassociation was placed on the chat club page in Art's web-site, presumably by Keith Rowland.. Shortly afterwards the entire Chat Club Page was removed, as well as the latest Jonathan Reed thread. it is now as if the chat clubs don't exist.

This was coupled most likely with the Chat club supporting Peter Davenport. I hold no ill will toward Art. I just wanted to clear this up, that we removed our name because Art asked us to.

Much of this may be discussed at the forthcoming NW/UFO Paranormal Conference to be held at Seattle Doubletree May 25th-28th. See www.seattleartbellchatclub.com for more details

We're in the proccess of changing that name too, at Alan Corbeth's request.

In response these two looooozers enlisted some more FRAUDS to back up the story. All of this Nfo haz been freely available for over a month. Why hasn't Art Bell come forward to denounce them? Is it, perhaps, not the best way to sell survival gear for his big End-O-The-World Extravaganza? </p> <p style="text-align: right;">IP: Logged</p>
