Author	Topic: Art Bell and KNYE
<p>Linnea Meyer Dread Pirate</p> <p>Posts: 6605 From: Upon the High Seas ~ Aboard the FANTASTIC Registered: Apr 2000</p>	<div style="display: flex; align-items: center;"> posted 07 June 2001 07:59 AM <div style="margin-left: 20px;"> profile mail edit quote </div> </div> <hr/> <p>Does anyone have any new information regarding Art and Ramona's KNYE Radio Station?</p> <p>I am wondering - once they get it going - if Art will be doing any 'live' DJ-ing. Maybe his 'new' contract with premrad allows for it.</p> <p>Everaftergirl made a comment on another thread about talking with Art on shortwave a few months ago - and how Art always seems so relaxed and cordial - in the shortwave medium.</p> <p>It would be great if he could do so - and we could listen in on the web. He would probably have a very different demeanor and 'sound' - on a show of his own.</p> <p>If premrad is as tough as they are reported to be - it must be a real job to keep a how flowing in that atmosphere. Seems as though Art has sacrificed much to keep coast to coast AM going - as we begged him to do.</p> <p>Any news of KYNE would be good right about now!</p> <p>Go Art Go!</p> <p style="text-align: right;">IP: Logged</p>
