The picture that came up was of a pirate ship with a photo of Art wearing a black t-shirt with a skull and crossbones on it. The caption said something like "There comes a time in every man's life when he gets the urge to spit on his hands, hoist the black flag and start slitting throats."</p> <p>Coincidence .... I think not!</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>

He was quoting that phrase on the air months before he left last time, before the law suits were made public. He has also had a long history of wearing that shirt.</p> <p>TOm D.</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>

A few days ago there was that quote posted on Art's site --- I grabbed it as wallpaper. It's an old sepia depiction of a pirate gun battle !!</p> <p>:) :) :)</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>

**NOTICE** our pirate theme was adopted by that very statement by Art Bell.

When times got rough, they did early on, Linnea decided to Hoist the Black Flag!!!

We have since grown into this theme!

Yo ho ho a pirates life for me
