I'm here. I'm HERE! I've been keeping an eye on you guys. Your not likly to get rid of me that easy. Tee hee.. However, I didn't think anyone noticed I was gone. We have so many new people now, the board is really hard to keep up with the ones that ARE posting.. LOL! But I love it!! It's like a dream come true.

I've just been busy with politics. And I thought for the peace of the board, I would "finish up" before returning. I didn't want to start any major wars or anything.

I did post a couple of times after the "good news." And I will be back for the big party, for sure. And as I finish up some projects I'm working on right now, I will be around more. Just not in the politics room. (wink)

Howdy Melissa!

I wondered where you were. Now be straight, was it that secret sinkhole coverup down there. I heard that Florida was smuggling sinkholes (over state lines) from Wisconsin!

Just wait till the Sinkwater Scandal breaks. I'm calling Drudge...

Hi Melissa!

Glad to know you are still with us. I had seen your recent posts but wasn't sure if you were the "Genuine, Original Melissa" 😊

Linnea,  
Nope, tried to stay out of the political room. I was afraid to find out "who believed WHAT".. Tee hee. I like to think everyone of us are smart. (wink) Since I'm i Florida, I didn't get to give it up for the new year.

And thanks again, for all the wonderful work you have done here. I for one, really appreciate it.

Everafter,  
And I have missed the Pirates. And I'm very proud of the whole group!!

Snorrithor!  
No more Cover-ups. Ok, we do need to cover-up sink holes here in Florida. Driving would be a bigger mess then it is, if we didn't.. tee hee

By the way, Hubby has been spending alot of time in your neck of the woods. Said it's cold enough to freeze his... Well, I'm sure you know. (wink) I do hope he is kidding. The thought just scares the cr@p out of me. Eventually he is going to end up in Wisconsin for a couple of weeks, then on to Alsaka for at least one week. Sounds like he will be home permently in time for the Florida summer. Boy, can his company plan JOBS or what!

Crabby,  
Yep, it was me. I believe I have two listings. My other one was older, but I don't remember the password. But don't errase it. It shows that I HAVE been here awhile. But my total posts are split between the two of them. This one is Melissa, the other one is Melissa Beeze. I listed first under that, so that all the riders from everywhere would know who I was. A lot of confusion at first. I figured it would help if everyone at least seen a familar "face."

At first, all I wanted was for us to at least stay together to keep what Art started alive. I didn't want them to take that away from us too! Art coming back, was way beyond what I could even hope for.

I'm still having childish momments where I want to e-mail the "company" and ask them if they finaly figured out that WE were right, that they were destrying the SHOW!! And NO, we were NOT trying to be revengful, but TRYING to SAVE the show. See,

it comes and goes. I wonder how long it will be before I "grow up.".. tee hee
