Just for grins and giggles, what radio station are you kids listening to Art Bell on? I'm just curious and I thought it might be fun to plug your hometown station.</p> <hr/> <p>I listen on KEX, 1190 AM, from Portland Ore. Here in Seattle we have KOMO, 1000 AM, but they suck for a number of reasons. KEX booms into Seattle with a great signal and I like their format better. How about you folks?</p> <p>----- QRZ</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>

WPHT in Philadelphia - 50,000 watts and the reception is just awful. I have a TV/radio next to my bed and listen with an ear plug so I don't wake up my husband

The station goes in and out (mostly out) and it drives me crazy. I usually listen to the 1st hour and part of the guest interview.

I have a CC Radio in my computer room and the reception is so much better. Looks like I'll have to purchase a second one and try and find room for it next to my bed (it will be hard to do).

The CC really is all that they say it is, but I hate to shell out another \$160 bucks for a second one. I wish Art was on FM.

Mike, (chuckle) Good one Bud! 

Hey Ben! Good work! Lots of dial twistin' there. Sounds like you may be an AM DX'er, yes? On Saturday nights I like to listen to CKMX, 1060, out of Calgary. They have a great jazz show that goes 'til 2300 hours pacific. I miss the first hour of C2C but what the hell, ya only live once, right?

Then again...according to this bunch I could be wrong!
