Hey MileHi,

I was an ol' lurker for a long time, now working on becoming an ol' poster. 😊 If more of us lurkers become posters than the ol' posters will just get old... (er) 🤖 Couldn't help myself. 😊
Oh, Oh now I am in trouble. 😊

Welcome aboard, come and join us at the bonfire in the Brig on Ghost to Ghost night next Friday the 23rd!

As far as the same ol' posters, well most message boards get spurts of posters, then they change periodically, as people get busy doing other things, and then return again. In that respect we are like other message boards where the same thing happens.

However, we are unique in our uncensorship and almost everyone here is considerate and so forth... we have a great bunch of pirates here. Even when someone does offend another pirate, they usually didn't mean it.

What a fantastic place to be! 🤖

I feel VIOLATED...

How dare you call me 'Old'.... 😊

Every board has it's 'Stalwarts', they are always around and active. The problem is that there are to many 'Passive' poster's, who are to bashful to post their opinions.

Lord know's I'm not bashful, however, I have other things going and it limits my participation. 'Know thy self' MileHigh and don't worry about the others.

By the way, Denver is not quite a Mile High...

Hey Spikemike!!!! how do you want this goat done- all medium rare and juicy?? I have some great jerk seasoning- we could do it like down in Jamaica mon!! some fried plantains, Black beans and arroz amarillo on the side. Or I could mojo crilollo it for you as well! We'd have to soak it good for 48 hours though- dont know if I have goat sized tupperware for this job- Got a body bag? That'll work!!! I'll put together a great and huge trash can drink for all of us-do you want the purple jesus or the green G@d D@@m?? (they are gar-un-teeed to make you see jesus!)

Sorry- I chef for a living.....couldnt resist!

What's all this say about a goat.. Somehow I missed the whole story, but I've heard references about a goat everywhere... Now I see there's a recipe for him..

I'm thinking about getting another baby goat, but just as a pet, and maybe some goat's milk..
And a few dozen chickens too, for fresh eggs..
Then with the veggies in the garden..When they get started.. I'll feel like a farmer in the dale...
We are working bee hives too.. Anyone want to help..?
Come join me this spring in Ramona, Ca. 😊

Hey there SPIkeMike! I got me a mess of those mudbugs jes for you! But I'm agonna shear them with some eggs! Just cause we're pirates dont mean we gotta eat plain 'ol mudbugs- NO SIRREE! We gonna have a real fancy N'AWLINS style mudbug feast! I'm gonna saute them with some onion,garlic and a little celery. Then I'm gonna toss some bread crumbs, butter and some LOOZIANA Hot sauce and parmesan in it. Then I'm gonna load us all up little polite gratinees with this wonder and crack some eggs on the top of them and broil 'em up right nice!!! Sound good to you? Maybe we can let the goats loose and make some good chevre (goat cheese). At the price of that stuff in the store I am wondering who the real pirates are!! (besides- I kinda like goats- planning on getting a few in a year or so)

Hey all- since it is MARDI GRAS time I thought a little history would interest all y'all pirates. The very first Mardi Gras was held in Mobile (pronouced MOW-BEEL) Alabama. Yup- Alabama! Mobile is named after the MOBILA indians from way a long time ago before the time of even pirates! And that's Jimmy Buffett's home town!!!
