Seems you forgot to read the agreement on posting when you went through the registration procedure -

I suggest you go and take another look.  
We are not about racial slurs here - and other defamatory postings.

Kinda off to an interesting start - I would say.

Cool it brother -

I'm not offended, but as a Vominos I don't quite fit the profile. I've never had any desire to try marijuana and don't like beer.

As the sun has just entered Virgo, I'm happy.  
My birthday is 7 September and it's always New Years Day to me.

Sorry, I sort of thought the "slurs" were satire... uncensored and all that... hmmm, now I have to come up with another way to make my point... my require less humor, which in the long run is more offensive.

Astrogoth, I found it heavy-handed. After all, this is the Astrology Cafe, so chances are posters here are interested in astrology..I believe that we have some very, very genuine people here, and think that some might be offended by your remarks.

Not to say one can't disagree, but if you have a beef with it, maybe you could've tried "Slam In-Slam Out".

Linnea, thanks for posting the "guidelines".

Peace to all.

I, for One would Have Liked to Read yur little Satire. Was It Something You 'Designed' or was It Something You Read and Wanted ta Pass On.

A Long Time Ago I Read a Very Humorous Description of the  
'Personalities' of the 12 SIGNS. A Paragraph Donated to Each Sign...

But Damned the ONLY 'Thing' That I Can Remember Is....

LIBRA: Blah blah Blah, Ya Da Da Da...Blah blah Blh. Ya Da Da Da Blah Ya  
Blah Da Da Da  
Da Da Da Dum Blah. You're Going to Die From a Venereal Disease!

I Swear, I would Love to Be Able to Pass on the Whole Zodiacal  
Treatment, but That's All I Can Remember.

If YOUR 'Satire' Compares.....'I'd' Love ta Read It and SEE for MySelf!

Here is the referent post

I will leave it up here for a short time - reluctantly - just so everyone can second guess why it was removed.

**Chinkus-- the dragon (feb 19-march 22)**

If you were born under this sign you eat a lot of rice. You are very agile and can "fight like ten tigers." You quote Confuscious and speak in riddles. When people eat your cooking they are hungry again in an hour.

**Niggetarius-- the slave (jan 20- feb 18)**

If you were born under this sign you can sing and dance good. You are a fabulous athlete and wear lots of gold. You do a lot of \*\*\*\*ing, like watermelon, and smell really bad.

**Dego-- the grease ball (dec 22- jan 19)**

If you were born under this sign you are devoted to the virgin Mary, you have a big family, and you make people offers they can't refuse. Your daughter is a virgin and you can't stop singing very loudly. You're also really \*\*\*\*ing dumb.

**Ragheado-- the fanatic (nov 22 - dec 21)**

If you were born under this sign you smell worse than niggetarius! You screw your own camel, pray to Allah, and work at the 7-11. You are good at making bombs, shooting guns, and killing yourself for Allah.

**Geronamus-- the native (oct 24- nov 21)**

If you were born under this sign you drinkum firewater! You put um ear to ground-- hear um horses long far away. Smoke-um peace pipe. Have um heap big pow wow. ug!

**Yiddices-- the kosher (sept 23- oct 23)**

If you were born under this sign you whine a lot and wring your hands. You are a real tightwad and are lousy in bed. You have shitty hair and a crappy beard. You wear a gay little yarmukle all over the place, and somebody cut your dick off when you were born.

**Vominos-- the low rider (aug 23- sept 22)**

If you were born under this sign so was your cousin, and his cousin, and her cousin, and his cousin too. You like marijuana and miller lite. If you're a woman you gain about 50 pounds on your 25th birthday. Its a thyroid problem. You're good with a knife.

**Queergo-- the closet dweller (july 23- aug 22)**

If you were born under this sign you love show tunes and sensible shoes. You cut hair and lisp and wiggle when you walk. You keep your house very clean and listen to Morrissey a lot.

**Germani-- the goose stepper (june 22 - july 22)**

If you were born under this sign you are crazy for beer. You put on a black uniform and throw people into ovens. You like pointy helmets and Wagner. Your breath stinks and will do anything for "Ze Fazerland!"

**Flaketarius-- the space cadet (may 21- june 21)**

If you were born under this sign you show up late, if ever to anything important. Your mouth doesn't stop moving, and you can't be pried from you cell phone without a jack-hammer. You have lots of ideas, but never do anything. You know a lot of people, and owe them all some money.

**Rastacorn-- the unwashed (april 20 - may 20)**

If you were born under this sign you have a rat's nest for a haircut. You listen to boring boring boring music, smoke way too much pot, and love everybody. You don't smell bad because you wear a lot of petuli oil. You're on your way to Mount Zion!

**Lardo-- the fat ass (march 21-april 19)**

If you were born under this sign you need to diet-- right after you finish this next tub of Ben and Jerry's. You split the seams of your mu-mu, and wait for Jerry Springer to airlift you to rehab. Have another donut?

Who Amonst YOU, would Deny Astrogorth 'His' Privilage ta SAY with His Own Mouth....an Observation of Humanity, and Attempt ta 'Link' IT with Astrology? Is ASTROLOGY Something of a 'Pristine' Knowledge that Must Be Guarded from 'Intruders'?

By-the-Way, BEFORE ya Answer.....

'I' Need ta Let Ya Know.....

While Working at Sears and Roebuck in Chicago

I HAD ta Come Up With a 'Pollack' Joke EVERYDAY at Lunch. With My 'Boss'....the Pollack 'Ray Smagus'....Who Wanted 'ME' as 'HIS' Trainee 'Manager' for 'Stock Receiving'. He Didn't Want ta Lose Me ta the 'Display Department' with All Those 'Swish' Wristed 'Queers'!

This Was in 1962.....Go Figure! Twenty Years Before 'They' Was Going ta Die In Large Numbers from Living a 'Libra' Prediction.

PERSONALLY.....'I'....DON'T CARE Anymore of What ALL y'all Find Offensive. AnyThing Can Be 'Talked' About.....

So Long As 'IT' can SURVIVE Long Enough. AfterAll, WHERE IS ASTROGORTH GOING ta GO with HIS 'Terrible' KNOWLEDGE?

NONE of You Have REALLY SEEN 'ME' yet!

But Yet, Astrogorth IS Not Funny....  
Neither was Lenny Bruce!

As usual, Faka has some deep wisdom for us. He makes us look at something from a different angle, a different perspective. I appreciate that.

On how many other BBS's do the moderator encourage much less tolerate this sort of discussion of his/her command decisions?

We are damn lucky to have this Ship and it's Moderator, Linnea!!

IMO Astrogorth went over the top, went past the line.

Every Thursday night, Rainmaker and I laugh till we pee our pants watching "Whose Line Is It" with Drew Carey. The regulars, Wayne Brady, Colin Mochrie, Ryan Stiles, Skip I'm sorry his last name escapes me and Chip and I'm sorry his last name escapes me too, are some of the funniest men on the Planet, maybe the Solar System. Yet never a foul word nor blatant innuendo nor racist nor offensive thing is heard or seen. Well, sometimes there is sexual innuendo but it is so subtle and so couched in silliness that even your Great Aunt Hattie would laugh.

There is a fine line between Satire that is biting and Satire that is just plain offensive.

It takes a rare Talent to produce biting Satire that is also witty, intelligent and thought provoking.

Astrogoth, or anyone else, do not the blame the Audience for your lack of this rare talent.  
It is not "US" who "Don't get it", it is you who fail to posses the talent to present it to us.

Well Said Mayals! And I Think That Astrogoth Now Knows It. I Just Hope That HE Continues to Grow and to Put His Observations as to the 'Decadence' and 'Hypocrisy' of MAN in a More 'Palletable' Form. Which HE Could Not Really Accomplish Without 'Our' Having Observed His Tastelessness, and the Presumption that 'WE', Each and EveryOne of Us, Don't SEE Man's Inhumanity to MAN....., and That 'WE' Have No Need for It to Being Called to Our Attention.

However, Astrogoth, Seeing that You Express a Profound 'Interest' In Man's Decadence and Perversity, Perhaps You Should Explore Astrology with a Goal of Understanding the Depreciation of Consciousness In This Regard.  
There Is 'Information' Out There. At Least One Well Known Astrologer, (Don't Recall Her Name.), In Being Handed 10 or 20(?) Charts, and Being Told to 'Pick' Out the 'Serial Killers'in the Lot....Successfully Picked Out All Five....and Accurately Described Their Personalities and 'Formative' Years; as Well as the Nature of How They Killed.  
So....the INFORMATION 'IS' There, My Friend.
