Welcome new Members, Pirates! Just FYI, I wanted to let you know that many of us night owls hang out every night in the Radio Room for live posting on this Fantastic Ship.

It's always lots of fun! The Radio Room is run by Spike Mike, and each night he lists the guest/show on C2C. We meet there when the show starts, and have a discussion through the night, until the show ends.

We discuss everything and anything...Most of all, we have fun! So don't ever feel lonely at night. There's always something going on at the FF!

To newcomers...you don't even need to post at Radio Room...I lurked for months, and now I jumped in with both feet and post quite frequently...It's tons of fun....

signing off....

Do you start the festivities at 1 AM Eastern? Does the RadioRoom open to discuss Dreamland at 10PM Eastern on Saturdays?

Question EVERYTHING, even your OWN thoughts.

For the most part, we start about the time when C2C comes on, 10pm/pst. As for Dreamland, it has it's own thread, but I don't know how much it's used.

daboodaddy, usually I start the thread anywhere from 90 minutes to 1minute before the C2C show starts. Normally there is no running thread for Dreamland, but it is okay for anyone to start one, either in RR or the Dreamland section os the ship.

And for those crew who are lurking or reading the next day, as least post up & let us know you're out there. 😊
