They were standing on the back of the ship watching the moon,when a huge wave came up and washed the old man overboard. They serched for days and could not find him,so the Captain sent the old woman back to shore with the promise the he would notify her as soon as thy found something. three weeks went by and finally,the old woman got a fax from the boat ,It read</p> <p>"Ma!am, sorry to inform you that we have found your husband dead,at the boton of the ocean. We hauled him up to the deck,and attached to his butt was and oyster, and inside it was a pearl worth \$50,000...please advise"</p> <p>The old woman faxed back:</p> <p>"Send me the pearl and re-bait the trap".</p> <p>old63</p> <p>-----</p> <p>davidguyer</p> <p style="text-align: right;">IP: Logged</p>
