One ring to bring them all and in the darkness bind them
In the land of Mordor where the shadows lie."

When I was 13. He wore the vest once... and never again. Do we really need to have some other.. interp. what WE feel as knowledge.. about this book? Not speaking for others... but only myself. I love and will always...

love Bilbo...

Fairbecca, what a nice thing to do for your cousin! My school mates and I would have done anything for such a vest in our rabid zeal for Tolkien stuff.

Snorrithor also gave us a link to Salon, he put it under the "Welcome to the Lord of the Rings".

>

There are only 8 subtopics, but I think each one may have at least one cool LOR link.

>

I would love to have a Topic here under LOR just for kewl links but I don't know how to move things from one topic to another, short of writing everything out by hand and manually entering under the new Topic.

>

Do one o' ye 'Puter Wizards know how to do that? Can it be easily done? Ifso would ya do it for us?

>

If not, then I'll just copy everything by hand and enter manually.

Thanks!!
