Usually, we choose someone or something to direct most of our energy. Well this time, I think we should concentrate on our well-being, and redirecting those lingering negatives into new & creative positives. Join me; I'll be here in the Nooz Turret and on the Main Page Chat Line. SpikeMike~ Newsm nger Gunner1stClass #1Turret~ BB-35 IP: Logged

I can't think of a better reason for a mind blast. The one thing I might add is that we might want to do it hourly as we listen to predictions tonight. Might as well do something while the news and ads are on. ----- > ^ .. ^ < Skosh IP: Logged

Try holding hot coffee and thinking warm fuzzy thoughts for the FF crew. Second blast I just made it home. Looking for my matches to light the candle for the third blast.</p> <p>----- > ^ .. ^ <</p> <p>Skosh</p> <p style="text-align: right;">IP: Logged</p>
