They are all welcome to it, (as you put it, Linnea) if they dare! And again, all I would ask is that they simply say they saw it at Fan-tastic Forum. From Barbara Simpson & Ian Punnett, to any local shows you might like, to even Art Bell himself, it's all at their fingertips.

If you have 'Kewl Nooz' comments, questions, replies, compliments, complaints, love letters & hate mail, you can leave 'em here! But no letter bombs, please. We just re-decorated the Nooz Turret.
