Best of luck in your new home Amanda.
I've been living in the same house for almost 32 years and dread the thought of having to move someday.
Moving can be emotionally and physically draining, so hang in there and take one step at a time.
We'll all be looking forward to hearing from you soon.

Wow! You pirates are terrific!

Tonight is the first night I've really had a bit of time on the FF since my move. I've popped in and out of the Radio Room since I rented my new place, but not for very long.

My move went so well, I knew it could only be God directing things. I knew there had to have been lots of people praying because when God does something, he does it BIG so we know it's Him...and He did!

God sent people to help me in every way. One friend had a conference scheduled up north the night before I moved, which enabled her to drive me the long distance (as I couldn't do it all). Another guy drove the truck with all of our things. Coincidentally, his mom offered to give him her car (because she bought a new one), so I didn't have to buy him a plane ticket back home, after the trip.

One-and-a-half weeks after I got here, I found a beautiful place to rent. Before moving, I prayed and asked God for a list of specific things that I would be looking for...but told Him I would settle for much less if it was His will.

I wanted a place in a good area, where my son could ride his bike and play safely, a small garden to tend, clean air, near water but not too close to the ocean, not near a busy street, quiet, comfy, and close to my son's half brothers...plus a few more things...and not my will, but His will...just in case I asked for the wrong things that would be good for us.

Wouldn't you know it, the condominium I rented fit everything on my list and more. God answers BIG, to let us know it was Him who gave us what we asked for.

Anyway, I have lots of unpacking to do, but I'm back!
Thanks again Linnea, and all you great pirates for your prayers. You know I really luv you guys! 🇺🇸

Wonderful! Everaftergirl! What a wonderful lesson in trust. Your condominium sounds so homey and what a nice neighborhood too! God delivers the bestest things! 🇺🇸

Amanda, I'm glad you started posting. For a while I thought you had gone to Cancun! 🇺🇸

Glad you made it safely & all went well. Is AgentBlank (her son, for new pirates) there with you? Let him know we all wish him well, too. 😊
