Join us in a Great Mind Blast Experiment tonight for all Pirates and members of the Fantastic Forum!

Let's focus our minds, hearts and spirit on our Fantastic Forum community and all Pirates on board - as well as all friends who come to visit here.

As cyber-pirates we also are 'real' beings who manifest on the physical plane - with our hopes, dreams, desires - and challenges.

As a cyber community we could send a mind blast out over this planet earth - and visualize each of us - connected through this Fantastic Forum community - to both send and receive the positive energy flow.

We are opening this new topic thread for the Fantastic Forum Community - where we can share our experiences.

Hope you will join in and 'become' the Power of the Force!

Hi Linnea. I'm here. I'll admit that I've been slacking lately on the mind blasts. Shame on me. I do beleive that we can all be a powerful force for good, for love and healing. There is strength in numbers, so let's all stick together!

That was so nice. Sitting here with my eyes closed and sending my love and energy to all. I have a small bouquet of freshly cut hyacinths. The smell is wonderful and it really added to the good feelings I was having and sending out 😊.

I have candles lit and my favorite incense burning (Gonesh Perfume from Ancient Times). When I burn it and close my eyes, I hear the gentle tinkle of tiny bells and feel a breeze blowing through gauze curtains..a peaceful calm comes over me. I am going to close my eyes and focus on the mindblast now. I promise I won't fall asleep. If you hear me snoring, poke me. Love you all.

I didn't log on until almost 10:00. So I did my own private blast at 10:00pm. Better late than never. 🍓

It's 9.10 here...  
Is there a way..  
I can set my Forum time...to the "real time" of everyones post's?  
Hmmm....  
Maybe that didn't sound right...  
I mean, ....  
How can I set the time..on my end...  
to match everyone.  
I have enough energy left over from my day, to cover those who's spirits are down,...and I've no where to put it tonight!  
I've so been looking forward to sharing our Mind Blast too!  
Durn!  
Oh well...

In one of my egroups that has a weekly prayer circle the times begin at 9:00est to 6:00pst which would make it 5:00 for our Alaskan friends I guess. In order for me to join in I have to set my alarm clock, and then end up losing more sleep. Please consider this. Thanks. Lou</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>

Linea, I'm posting this in here because I lost where the thread was where you asked where one could find info on Planet "Nibiru", also known as the "Twelfth Planet"; and when it will be visible. I gave you the link to Cyberspaceorbit. Here is a more detailed article on the planet's whereabouts.

<http://www.rumormillnews.net/cgi-bin/config.pl?read=7428> Hope that helps. If you want to remove this posting and place it in one you find more appropriate, please do. But please tell me where you put it so I can follow responses, if any.

So maybe we can cook up a good mind blast next week or so. Or are we automatically to go into "Mind Blast Mode" on Fridays at 9 PM EDT ?

daboodaddy -

I think we have to work up to one!  
When we feel we have something we all want to send out collective vibes for. 🍻

Maybe we can think ahead to next Friday -  
I'll post an announcement that appears at the top of each page in the little mail slot that appears there sometimes. 😊

What is your thought on what we should direct our next Mind Blast on?  
Shall we do it for the TABBIES?

Also we have a request to do these earlier - say 8:00 pm Pacific Time?  
This is 11:00 pm Eastern and 7:00 pm in Fairbanks. That makes it kinda early in Fairbanks...

What do you think mates? Shall we continue on at 9:00 pm or change to 8:00 pm PT...

Been so busy I missed this. I will try my best to be here this upcoming Friday night. I think we should definitely continue this program.

What to focus on?...Peace, prosperity, and only good and positive things to come to the FF and pirates. Cap'n Linnea, hope you send us a reminder on Friday so we don't forget.

Fairbecca may be working at that time, Iam not sure. It probably is hard to set a time to fit everyone, so just set a time &amp; we can try to fit into it or connect to those vibrations where ever we are at that time. I am going to try something different this time. I am going to meditate on Fairbeccas "FRIENDS" mandala sending healing energy to the unity of FF. I have found mandalas to be a good way for me to go into deeper meditation.</p> <p style="text-align: right;">IP: <a href="#">Logged</a></p>
